Remedial actions may require a Member to take or cease to take specific actions, such as those relating to staffing, training, policies, procedures and controls.
- Where the Listing and Membership Committee considers it appropriate to issue remedial actions to a Member, it will do so in writing setting out the matters to be addressed together with the specific actions required (including timeframes for completion and intended outcomes).
- The Member may, within a stated timeframe, make representations to the Listing and Membership Committee in respect of remedial actions or the proposed timeline for completion. Once finalised between the Listing and Membership Committee and the Member, the Member is expected to provide the Listing and Membership Committee with timely updates on the completion of the remedial actions. Private warnings and reprimands

- Private warnings and reprimands are a more serious expression of concern or criticism of a Member's conduct than would usually be made in the course of ongoing supervisory correspondence. The issuance of a private warning or reprimand usually indicates that the Listing and Membership Committee has seriously considered referring the Member to the Disciplinary Committee.
- Where the Listing and Membership Committee considers it appropriate to issue a private warning or reprimand to a Member, it will do so by issuing formal notice of the intention to issue a private warning or reprimand. This notice will identify and explain the Listing and Membership Committee's concerns about the Member's conduct and the grounds upon which the issuance of the private warning or reprimand appears necessary or desirable to the Listing and Membership Committee.

 - d. such action is or may be necessary or desirable for the protection of investors.

OPERATIONAL MATTERS

1. ROLE OF THE LISTING AND MEMBERSHIP COMMITTEE

Subject to the appeals procedure set out in OPERATIONAL MATTERS 5, the terms of reference of the Listing and Membership Committee include the following responsibilities:

1. operating and regulating the Exchange;

2. Before the resignation will be deemed effective by the Authority, the resigning Member must (to the extent considered reasonable by the Authority) satisfy all obligations to:
 - I. the Authority;
 - II. other Members;
 - III. its issuers;
 - IV. its agents; and

- The Listing and Membership Committee may postpone the effective date of resignation and may request further information or impose other obligations on the Member where it considers it necessary to do so.
- The Listing and Membership Committee may, in its absolute discretion, refuse to accept a notice of resignation given by the Member, or reject such a notice after it has been served but prior to it taking effect, if the Listing and Membership Committee considers that:

 - it is necessary or desirable for the protection of investors who may be clients or counterparties of the Member when the resignation would otherwise have become effective; or
 - a prohibition or requirement should be imposed on such Member under the Authority's powers or that any prohibition or requirement imposed on such Member under those powers should continue in force.

OPERATIONAL MATTERS CONTINUED

3. CANCELLATION OF MEMBERSHIP BY THE AUTHORITY

1. The Authority reserves the right to cancel a Member's membership of the Exchange due to inactivity.
2. Where the Authority intends to cancel a Member's membership of the Exchange due to inactivity, it will provide the Member with 3 months' written notice of this fact and the intended date of cancellation.

GUIDANCE

Cancellation of membership

- The Listing and Membership Committee considers that where a Member has not carried out Listing Member or Trading Member activity on the Exchange over a prolonged period, the Member may be unable to maintain the necessary level of relevant experience within their staffing or the policies, procedures and controls which the Listing and Membership Committee expects of Members and, therefore, when the Member does carry out such activities, they may pose a heightened risk to market participants.

3. Following receipt of all relevant papers, the Member will be given not less than 15 business days' notice of the date, time, and place of the hearing by the Chair of the Disciplinary Committee. The notice period may be shortened with the consent of the parties. Once a hearing time and date have been set, all parties should assume that the hearing will proceed as notified unless notified to the contrary.
4. No party may rely on any statement or document not served on the Disciplinary Committee more than 2 business days before the hearing save with the leave of the Disciplinary Committee and, at its discretion, to adjourn the hearing to a later date in order to consider such additional statement or document.
5. The Chair of the Disciplinary Committee will notify the parties to the proceedings of the names of the members of the Disciplinary Committee who will be participating in the disciplinary hearing and any proposed legal adviser. If any party to the proceedings believes that a potential conflict of interest exists, it shall notify the Chair of the Disciplinary Committee, at the earliest possible opportunity, who will take appropriate action.
6. Other than between the Disciplinary Committee and its legal adviser, either party may require that the Disciplinary Committee holds any document submitted to it as confidential and not to be divulged to any other parties.
7. All parties shall keep confidential any matters related to the disciplinary action save where disclosure is permitted or required by law or compelled by court order or a valid request by a competent authority.
8. Disciplinary Committee hearings shall be conducted in private.
9. As part of any disciplinary hearing the Member shall be given an opportunity to appear before the Disciplinary Committee to make written or oral representations and to cross examine any witnesses called against it. The Disciplinary Committee may, at its discretion, permit the Member to be legally represented and to call witnesses to give evidence at the hearing. Where a legal representative is to be appointed, the Secretary of the Disciplinary Committee must be advised in writing at least 2 business days prior to the hearing of the person's full name and professional qualification.
10. If the Member elects not to attend, the hearing may proceed in the absence of the Member.
11. The Disciplinary Committee may determine the issue on written representations if, having regard to the nature and gravity of the matter in issue, it is satisfied that it is suitable for such determination and the Member consents to such a procedure being adopted.
12. The order of proceedings and all practices shall be at the discretion of the Disciplinary Committee.
13. The parties will be asked to confirm that there is no reasonable objection to any of the Disciplinary Committee members participating in the hearing (or their legal adviser) on the grounds of a conflict of interest. Such confirmation shall not be unreasonably withheld.
14. A record of the hearing will be made, and, for the avoidance of doubt, it shall be sufficient for such record to be in the form of minutes taken by the Secretary of the Disciplinary Committee. A transcription or copy of the record will be available to any party, on payment of the cost of making such transcription as the Chair of the Disciplinary Committee in their discretion shall determine. The deliberations of the Disciplinary Committee will not be recorded.
15. Following the hearing, the Disciplinary Committee may deliberate at any time and make any decision in the absence of the parties. The Disciplinary Committee may adjourn the hearing at any time as it thinks fit. The Disciplinary Committee is entitled to reach decisions on a majority basis. In the case of an equality of votes, the Chair of the Disciplinary Committee shall have a second or casting vote. The Disciplinary Committee shall not be required to disclose the reason for its decision, including on appeal.

A copy of the notice will be forwarded by the Authority to the Secretary of the Appeals Committee.
4. Where the requirements for serving notice of an appeal are not met, the final decision of the Listing and Membership Committee or Disciplinary Committee shall be final and binding on all parties.

A minimum fee [as set out in the fees and charges schedule on the Exchange's website which is subject to change from time to time] will be payable by the appellant to the Authority for an appeal hearing to be conducted. The fee will be dependent upon the nature and complexity of the appeal and will be proportionate to the time taken to consider the appeal. Further charges may, at the absolute discretion of the Chair of the Appeals Committee, be incurred for more complex or lengthy appeals.
6. The Authority may, within 10 business days (or such other period agreed between the parties) of receipt of notice of an appeal, submit to the Chair of the Appeals Committee a statement in response setting out all the material facts and having attached to it copies of all documents relied upon.
7. Following receipt of all relevant papers, the appellant will be given not less than 15 business days' notice of the date, time, and place of the hearing by the Chair of the Appeals Committee. The notice period may be shortened with the consent of the parties. Once a hearing time and date have been set, all parties should assume that the hearing will proceed as notified unless notified to the contrary.

10. Other than between the Appeals Committee and its legal adviser, either party may require that the Appeals Committee holds any document submitted to it as confidential and not to be divulged to any other parties.
11. All parties shall keep confidential any matters related to the appeal save where disclosure is permitted or required by law or compelled by court order or a valid request by a competent authority.

14. The parties may attend the hearing, but any hearing may proceed in the absence of one or both of the parties.

 - II. remit the earlier final decision back to the Listing and Membership Committee or Disciplinary Committee for reconsideration.
21. The Appeals Committee will only remit the Listing and Membership Committee's or Disciplinary Committee's earlier final decision back for reconsideration if it is satisfied, on the balance of probabilities, that the earlier final decision is a misinterpretation of or an erroneous application of the Membership Rules or Listing Rules, or is not justified by the evidence on which it is based.
22. Where the matter in issue against a Member is found to be proved, which shall be on a balance of probabilities, the Appeals Committee may make recommendations to the Listing and Membership Committee or Disciplinary Committee in respect of any of the powers which the Listing and Membership Committee or Disciplinary Committee can exercise.
