Re: ALESCO Preferred Funding XIV, Ltd.

We have performed the procedures enumerated below, which were agreed to by the addressees of this report (collectively, the "Specified Parties"), solely to assist ALESCO Preferred Funding XIV, Ltd. (the "Issuer") in evaluating whether information presented in the monthly report and the note valuation report relating to the Issuer's September 2019 distribution date (together, the "NVR") is prepared in accordance with the indenture among the Issuer, ALESCO Preferred Funding XIV, Inc. (the "Co-Issuer," together with the Issuer, the "Co-Issuers"), ALESCO Preferred Funding XIV (L2), Ltd. (the "Second Tier Issuer") and U.S. Bank National Association (the "Trustee") dated 21 December 2006 and the first supplemental indenture dated 14 September 2007 (together, the "Indenture"). The Issuer is responsible for the NVR being prepared in accordance with the Indenture.

The sufficiency of these procedures is solely the responsibility of the Specified Parties identified in this report. Consequently, we make no representation regarding the sufficiency of the procedures, as described below, either for the purpose for which this report has been requested or for any other purpose. Furthermore, we make no representations and express no opinion as to: (a) questions of legal interpretation, (b) the sufficiency of the requirements of the Indenture, (c) the accuracy, completeness or reasonableness of the assumptions and methodologies set forth in the Indenture and (d) the accuracy, completeness or reasonableness of the information provided to us by the Trustee, on behalf of the Issuer. This report does not constitute a legal determination as to the Issuer's compliance with the Indenture's specified requirements.

We have read the definition of Independent in the Indenture and confirm that we are Independent with respect to the Co-Issuers and Second Tier Issuer within that meaning and within Rule 1.200 of the Code of Professional Conduct of the American Institute of Certified Public Accountants.

Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Indenture.

The Trustee, on behalf of the Issuer, provided us with:

- a. Electronic data files and related decodes (the "Data Files") that the Trustee indicated contain information on a portfolio of certain Bank Trust Preferred Securities, Insurance Trust Preferred Securities, Bank Subordinated Notes, Insurance Subordinated Notes, Surplus Notes and Senior Securities (the "Collateral Debt Securities"),
- b. A copy of the NVR, certain pages of which are attached as Exhibit 1,
- c. Copies of the interest rate swap confirmations dated 21 December 2006 through 15 June 2007 (the "Hedge Confirmations"), all of which have expired prior to the current Distribution Date,
- d. A copy of successor collateral manager notice dated 7 December 2018 (the "Successor Collateral Manager Notice"),
- e. A copy of the Indenture and
- f. Certain assumptions (the "Assumptions"), which are shown on the attached Exhibit 2.

The Trustee, on behalf of the Issuer, indicated that the Collateral Debt Securities on the Data Files were the Collateral Debt Securities held by the Issuer and managed by Hildene Collateral Management Company, LLC (the "Collateral Manager"), successor to ATP Management LLC, an affiliate of Fortress Investment Group LLC, successor to Cohen & Company Financial Management, LLC, formerly known as Cohen Bros. Financial Management, LLC, as of the Determination Date related to the Issuer's September 2019 Distribution Date, the information on the Data Files was used to prepare the NVR and the copy of the NVR is the relevant report relating to the Issuer's September 2019 Distribution Date.

The Collateral Manager, on behalf of the Issuer, instructed the Trustee to withhold any Interest Holdback Amount until the next Distribution Date after the failure of the applicable Coverage Tests (in such order of priority pursuant to Section 11.1(a)(i) of the Indenture after the failure of the respective Class of Coverage Test), instead of distributing such Interest Holdback Amount according to Section 11.1 of the Indenture based on their interpretation of the Indenture (the "Collateral Manager Methodology"). Accordingly, the agreed-upon procedures were performed using the Collateral Manager Methodology.

The Issuer is responsible for the Collateral Manager Methodology and the information contained in the Data Files and Exhibits 1 and 2. Except as indicated below, we performed no procedures to test the accuracy or completeness of the information provided to us.

The procedures we performed and our associated findings were as follows:

 - c. Assumptions and
 - d. Information in the Indenture,we recalculated and found to be in agreement with the corresponding information on Exhibit 1, the information indicated by the letter **A** on the pages of the NVR that are attached as Exhibit 1. In performing this procedure, we were instructed by the Trustee, on behalf of the Issuer, to ignore differences of (i) +/- \$1.00 or less or (ii) +/- 0.01% or less.
2. Using the applicable:

Information from prior period Note Valuation Reports,we recalculated and found to be in agreement with the corresponding information on Exhibit 1, the information indicated by the letter **B** on the pages of the NVR that are attached as Exhibit 1. In performing this procedure, we were instructed by the Trustee, on behalf of the Issuer, to ignore differences of (i) +/- \$1.00 or less or (ii) +/- 0.01% or less.

Unless otherwise specified in this report, the foregoing procedures were limited to a comparison of numbers or a recomputation of specified calculations applicable to the amounts and percentages appearing on Exhibit 1. We undertake no responsibility to update this report for events and circumstances occurring after the date of this report.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to, and did not, conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the NVR being prepared in accordance with the Indenture. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Specified Parties and is not intended to be, and should not be used by anyone other than these Specified Parties.
