Re: ALESCO Preferred Funding VIII, Ltd.

We have performed the procedures enumerated below, which were agreed to by the addressees of this report (together, the "Specified Parties"), solely to assist ALESCO Preferred Funding VIII, Ltd. (the "Issuer") in evaluating whether information presented in the monthly report and the note valuation report relating to the Issuer's December 2019 distribution date (together, the "NVR") is prepared in accordance with the indenture among the Issuer, ALESCO Preferred Funding VIII, Inc. (the "Co-Issuer" and, together with the Issuer, the "Co-Issuers") and The Bank of New York Mellon Trust Company, National Association, successor in trust to JPMorgan Chase Bank, National Association (the "Trustee") dated 4 August 2005 (the "Indenture"). The Issuer is responsible for the NVR being prepared in accordance with the Indenture.

The sufficiency of these procedures is solely the responsibility of the Specified Parties identified in this report. Consequently, we make no representation regarding the sufficiency of the procedures, as described below, either for the purpose for which this report has been requested or for any other purpose. Furthermore, we make no representations and express no opinion as to: (a) questions of legal interpretation, (b) the sufficiency of the requirements of the Indenture, (c) the accuracy, completeness or reasonableness of the assumptions and methodologies set forth in the Indenture and (d) the accuracy, completeness or reasonableness of the information provided to us by the Trustee or the Collateral Manager (as defined herein), each on behalf of the Issuer. This report does not constitute a legal determination as to the Issuer's compliance with the Indenture's specified requirements.

We have read the definition of Independent in the Indenture and confirm that we are Independent with respect to the Co-Issuers within that meaning and within Rule 1.200 of the Code of Professional Conduct of the American Institute of Certified Public Accountants.

Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Indenture.

The Trustee, on behalf of the Issuer, provided us with:

- a. Electronic data files and related decodes (the "Data Files") that the Trustee indicated contain information on a portfolio of Bank Trust Preferred Securities, Insurance Trust Preferred Securities, Bank Subordinated Notes, Insurance Subordinated Notes, Surplus Notes and Senior Securities (the "Collateral Debt Securities"),
- b. A copy of the NVR, certain pages of which are attached as Exhibit 1,
- c. Copies of various swap transaction confirmations entered into between the Issuer and the Hedge Counterparty (the "Hedge Agreements"),
- d. A copy of the collateral management agreement dated 4 August 2005 (the "Collateral Management Agreement"),
- e. A copy of the Indenture,
- f. A copy of a notice that the Trustee indicated relates to the delivery of certain defaulted Collateral Debt Securities from HoldCo Distressed Fund I ("HoldCo"), formerly known as Tricadia Financials Restructuring Partners III, Ltd. and Financials Restructuring Partners, Ltd., to the Issuer (the "Delivery Notice") and
- g. Certain assumptions (the "Assumptions"), which are shown on the attached Exhibit 2.

The Trustee, on behalf of the Issuer, also indicated that

- i. The Collateral Debt Securities on the Data Files were the Collateral Debt Securities held by the Issuer and managed by Cohen & Company Financial Management, LLC (the "Collateral Manager" and formerly known as Cohen Bros. Financial Management, LLC) as of the Determination Date related to the Issuer's December 2019 Distribution Date, the information on the Data Files was used to prepare the NVR and the copy of the NVR is the relevant report relating to the Issuer's December 2019 Distribution Date and
- ii. Pursuant to the Delivery Notice, certain of the Collateral Debt Securities on the Data Files and as listed in Exhibit 4 are Defaulted Securities that were transferred back to the Issuer's portfolio in exchange of the corresponding promissory notes ("Promissory Notes") previously provided by HoldCo and that these Defaulted Securities are to be included as part of the Issuer's Aggregate Principal Balance of Collateral Debt Securities for all recalculations (the "Trustee Methodology").

The Collateral Manager, on behalf of the Issuer, instructed the Trustee to withhold any Interest Holdback Amount until the next Distribution Date after the failure of the applicable Coverage Tests (in such order of priority pursuant to Section 11.1(a)(i) of the Indenture after the failure of the respective Class of Coverage Test), instead of distributing such Interest Holdback Amount according to Section 11.1 of the Indenture, based on their interpretation of the Indenture (the "Collateral Manager Methodology with respect to Distribution"). Accordingly, the agreed-upon procedures were performed using the Collateral Manager Methodology (defined herein).

The Collateral Manager, on behalf of the Issuer, also indicated that the Defaulted Securities that were transferred back to the Issuer's portfolio pursuant to the Delivery Notice are to be excluded as part of the Issuer's Aggregate Principal Balance of Collateral Debt Securities for all recalculations (the "Collateral Manager Methodology with respect to Collateral Debt Securities" and, together with the Collateral Manager Methodology with respect to Distribution, the "Collateral Manager Methodology"). Accordingly, the agreed-upon procedures were performed using the Trustee Methodology or Collateral Manager Methodology as specified herein noting that when the Collateral Manager Methodology was used, certain of the items on Exhibit 5 were not in agreement (the "Non-Agreed Values - Collateral Manager Methodology") with the information we recalculated using the Trustee Methodology with respect to Collateral Debt Securities.
